Biddeford Pool fire barn

MMINUTES DRAFT

- 1- Roll call: MacKeil, Henedy Tarpey, Larivierre, Ohman, Millet (Ganz, Desmarais & Milligan excused)
Approval of minutes of 24 March 2022

- 2- Old Business
 - Mooring permit update from Harbormaster
River
Pool: Short list of delinquent permits. Commissioners will help supply up-dated mailing addresses.
 - Status of the York County dredge proposal: Commissioners present not in favor of this proposal for a number of reasons. Will recommend to the City Council that this should not be adopted.
 - Placements of No Wake buoys: new supplies will be required to deploy aids this season.
 - Placement of Federal marks in Wood Island Harbor: Paul Larivierre working on this.

- 3- New Business
 - No new applications before the meeting.
 - Christine Ohman will present a document to the City Council asking that they appeal to the USACE to repair the half tide breakwater on the Biddeford side of the River. It is in serious need of repair. Ms Ohman is working with York County Soil and Water Conservation District on a project to improve conditions in the Pool.

- 4- Next meeting May 26
- 5- Adjournment
