 - 3.1. Climate Strategy Plan Discussion**

After the presentation by Dr. Hagan (approximately 30 minutes allotted) our meeting will be focused on one agenda item only and that will be to discuss potential strategies for the climate plan. Other agenda items shall be tabled until our next meeting in June. With approximately eight scheduled meetings left, it was agreed at our meeting on May 8th, that time is short and we need to begin this discussion. As you know, SMPDC will be drafting strategies for the cohort and this should be available by the end of June. Dr. Hagan will be invited to remain and join the discussion. Dr. Hagan will be our last guest with the exception of SMPDC, our cohort consultants and ICLEI partners.
