Shellfish Conservation Committee Meeting Minutes
February 8, 2017

Call to order 7:01

Roll Call: Peter Bouthillette, Roland Pelletier, Paul Lariviere, Mike Swanton, David Morissette, Tom Milligan as staff.

Old Business; none

New Business; Two members of the Maine Marine Patrol attended the meeting and went over the rules of where and when they can engage and enforce their authority.

Mike Swanton asked the committee members to "reply to all" if they plan to attend or not so that we can tell if we are going to have a quorum or not. This may or may not work, but let's try it.

Tom Craven of the Biddeford Conservation Commission attended the meeting and spoke of his committee's efforts to raise awareness of the Thatcher Brook's impaired state. He would also like to help with the pollution problem of the Pool by doing an outreach to all of the people who own property that borders it.

Paul Lariviere is working with Christine Ohman to see if we can get some funds to eliminate the Canada geese from the Pool.

Tom Milligan asked for help in identifying any illegal outfalls that may be contaminating the waters of Biddeford.

Motion to adjourn 7:36
