Biddeford Harbor Commission
Minutes from meeting of 19 January 2017

Present were Bill MacKeil, Sean Tarpey, Assistant Harbormaster Paul Lariviere, Tom Milligan and Graham Ganz.

Meeting was called to order.

There was a short discussion of the status of the Camp Ellis ACE issue.

Assistant Harbormaster Paul Lariviere asked Graham how he could help with ten or so derelict moorings. Graham will give Paul the list of mooring inspected last year and Paul will get an updated list of permits from the City.

The need for new commissioners was raised. Paul called John Henneidy and Graham Ganz to ask if they would be interested. No resolution.

Paul will work with Graham to resolve issues he runs into.

The registration form for Harbormaster training in March has been sent to Finance for payment: Marshall Alexander and Paul Larivierre will attend.

The FY2018 budget documents were reviewed.

The next meeting will be on February 16th.

The meeting was adjourned at 7:45.
