Biddeford Harbor Commission

Minutes from meeting of 20 April 2017

Present were Bill MacKeil, John Hennedy, Graham Ganz, Harbormaster Paul Lariviere, Tom Milligan, and Sean Tarpey. Marshall Alexander was absent. Two students from UNE joined as observers.

Meeting was called to order.

We welcomed Graham Ganz as the newest appointment to the commission.
Minutes from March were approved as written.

Harbormaster Paul Lariviere discussed a few mooring issues in the Pool. Graham Ganz has provided all inspection information to Paul & Marshall. Paul will work with Graham to resolve issues he runs into.

The floats at Oddy's pier are not resolved yet.

UNE wants to extend their existing float system in the River by two sections. Paul Lariviere has discussed this with the people involved and approves of the plan as described.

It was agreed to hold a short workshop prior to the next meeting to discuss marine sanitation and possible changes to the ordinance.
The next meeting will be on May 18th.

The meeting was adjourned at 8:15.
