Finance Committee

Meeting Date: January 6, 2026
Meeting Time: 5:00 PM
Agenda Item No: 4.b
Item Description: Recycling Utility Vehicle
Submitted By: Jeff Demers

Key Terms:

Public works to purchase a new 2026 Chassis Cab – Ford F-550 (7.3L 2V DEVCT PFI V8 Gas Engine)

Executive Summary:

Public works is requesting finance approval to proceed with the purchase of a new truck for the solid waste recycling department. The vehicle is intended to replace an existing unit that has reached the end of its service life and is no longer cost-effective to maintain. The existing vehicle to be replaced is an old GMC ambulance that was purchased by public works in 2016 through the fire department replacement capital vehicle program in 2008.

Detailed Review:

The public works department is requesting the approval to purchase a new 2026 F550 Ford pickup truck. City staff will remove the aluminum bed with lift gate on the existing truck to be traded. Public works will then install the existing bed and lift on the new Ford chases if approved. This vehicle is used as a resource for many departments when it comes to moving heavy items. Public works advertised this on the city website (See doc #2) and reached out to three different vendors. Public works received two bids. See (bid tab doc). One was from Arundel Ford (bid doc #4) and the second bid from One Nation Distribution INC from Volant PA (bid doc #3). The bid supplied by One Nation Distribution out of PA was declined as it was an hour late with the bid due date and time being 12/22/2025 at 2:00pm. The bid arrived UPS express at 3:00pm one hour beyond the bid due time. This size vehicle is not available as an electric vehicle option.

Funding Source:

This vehicle was budgeted and approved in FY2026 CIP (See attached doc #1)

Staff Recommendation:

Staff recommends going forward with the purchase from Arundel Ford for one F550 truck at \$59,691.00 with a trade allowance of \$2,000.00 for the 2008 GMC without aluminum box and lift. The total request for Arundel Ford will be \$57,691.00. Please see attached (bid docs #3). Staff is requesting an additional \$3,000 to prep the new Chassis for the existing box and other associated equipment needed to put this vehicle in service. Staff to not exceed \$60,691.00 for this vehicle. Staff will be available for any further questions.

Next Steps:

Purchase Truck if approved.

Fund 601 -	\$25,000 Lease pmt for camera truck (new)

REQUEST FOR PROPOSALS (RFP)

2025 Chassis Cab – Ford F-550 (7.3L 2V DEVCT PFI V8 Gas Engine)

Issue Date: 11/17/2025

Proposals Due: 12/22/2025 at 2:00 PM

1. Introduction

The **City of Biddeford** is soliciting sealed proposals from qualified and authorized vehicle dealers for the purchase of **one (1) new 2025 chassis cab truck**, meeting or exceeding the specifications in this RFP. The vehicle will support municipal operations and must meet all applicable federal, state, and local regulations.

2. Vehicle Specifications

A. Model

- **2025 Ford F-550 Super Duty Chassis Cab** (or equivalent meeting all minimum specifications)

B. Engine & Powertrain

- **7.3L 2-Valve DEVCT PFI V8 Gas Engine**
- Heavy-duty TorqShift automatic transmission
- Rear-wheel drive or 4x4 (specify requirement)
- Factory engine block heater (if required by department)

C. GVWR / Chassis

- GVWR: **19,500 lbs minimum**
- Cab-to-axle: **CA 84"**
- Dual rear wheel configuration
- Suitable frame for installation of municipal body or equipment

D. Cab Configuration

- **Regular Cab** (unless otherwise specified)

- Seating for 2–3 occupants
- Factory-installed auxiliary upfitter switches
- Vinyl interior preferred for ease of cleaning

E. Electrical & Controls

- OEM wiring for municipal upfitting
- Dual battery setup
- Factory PTO provision (if needed)

F. Exterior Features

- Silver/grey exterior paint (standard fleet color)
- Trailer tow package
- Tow hooks
- Roof-mounted amber beacon wiring (if needed)

G. Safety & Compliance

- Backup alarm
- Rear-view camera
- Compliance with FMVSS and applicable DOT requirements

H. Warranty

- Standard manufacturer warranty
- Optional extended warranty packages (itemize separately)

3. Delivery Requirements

- Vendor must deliver vehicle **fully assembled and ready for upfit.**
- Delivery to:
371 Hill street Biddeford, Maine
- Vehicle must include:
 - Window sticker

- Manufacturer's certificate of origin
 - All manuals and warranty documentation
-

4. Proposal Requirements

Proposals must include the following:

1. Completed proposal form and pricing sheet
 2. Detailed specifications of proposed vehicle
 3. Estimated delivery timeline
 4. Warranty documentation
 5. Authorized dealer certification
-

5. Evaluation Criteria

Proposals will be evaluated based on:

- Compliance with specifications
 - Price
 - Warranty terms
 - Delivery time
 - Vendor qualifications and municipal experience
-

6. Submission Instructions

Sealed proposals must be clearly marked:

“RFP – 2025 F-550 Chassis Cab”

Send to:

Jerry Court/Jeff Demers

The City of Biddeford will accept, in a separate proposal, a bid for the used equipment to be available after the new equipment has been delivered and is in service. The City of Biddeford reserves the right to accept any or all of these separate bids rather than the trade-in allowance of the proposal.

The used equipment offered for trade-in allowance may be inspected by arrangement with the head of the department that operates this equipment, as specified in the proposal. The lettering and City Seals are to be removed from the used equipment by the City and the bidder shall accept delivery of used equipment “as is” after the seals and lettering have been removed.

Deliveries shall be F.O.B. Biddeford, Maine on or before the time stated in the proposal. The record for deliveries of a proposer, or the manufacturer of a make being proposed, may be a factor in making an award on the equipment for this proposal. Since quick delivery is needed for this equipment, delivery time as well as price may be made a factor in determining the award, according to what the City of Biddeford may feel to be in its best interest.

Proposers shall include with their proposal a catalog (or literature) marked to indicate the standard factory equipment of each model being proposed.

There shall be within the Biddeford area a repair/service facility, which shall maintain a stock of spare parts, for the make and model of the equipment that the proposer offers in the proposal.

All equipment offered in this proposal shall be absolutely new and the latest model as quoted, shall have the standard motor vehicle guarantee, and shall be of a United States Manufacturer. The dealer will state in the proposal the name, model number, etc. for equipment that meets all the specifications and performs all the functions and is represented, not only by these specifications, but also by the descriptions in the descriptive literature included with this proposal, unless the literature included with this proposal, is plainly marked otherwise.

If the equipment offered by a proposer under the specifications meets the specifications except for minor factors or reasonably small variations from the specifications that do not prevent the equipment being proposed, from performing satisfactorily or from being as good as equipment fully meeting these specifications, then these minor specifications may be waived by the City, if it deems it to be in its advantage, and the equipment with the waived variations in specifications will be accepted as fully meeting these specifications.

It is the custom of the City of Biddeford to pay its bills within 20-30 days following delivery of, and receipt of bills for all items covered by the Purchase Order. In submitting a proposal under these specifications, proposers should take into account all discounts, both trade and time allowed in accordance with the above payment policy. Therefore, all proposers should quote a net price exclusive of all Federal Excise Taxes.

The City of Biddeford reserves the right to accept the bid on one or more items of proposal, on all the items of a proposal, or on any combination of items on a proposal. The City of Biddeford also reserves the right to waive any informality in bids, to accept any bid and to reject any or all bids, should it be deemed to be in the best interest of the City to do so.

If there are any questions on the proposal package, please contact Jerry Court or Jeff Demers at the Biddeford Public Works Department (207) 282-1579.

To whom it may concern,

Please find enclosed the quote for the purchase of one (1) new 2026 Chassis Cab Ford F-550, as requested by the city of Biddeford. We appreciate the opportunity to provide pricing and specifications for your review.

The enclosed proposal includes pricing, vehicle specifications, and the trade values of the 2008 GMC 4500 with VIN ending in F406802.

The approximate delivery time is April 2026.

Should you have any questions or require additional information, please feel free to contact me directly at 207 604 7240 or schoudhry@arundelford.com Thank you for your consideration. We look forward to the opportunity to work with the city of Dover.

Sincerely,

Sam Choudhry

Arundel, ME, 04046

If the equipment offered by a proposer under the specifications meets the specifications except for minor factors or reasonably small variations from the specifications that do not prevent the equipment being proposed, from performing satisfactorily or from being as good as equipment fully meeting these specifications, then these minor specifications may be waived by the City, if it deems it to be in its advantage, and the equipment with the waived variations in specifications will be accepted as fully meeting these specifications.

It is the custom of the City of Biddeford to pay its bills within 20-30 days following delivery of, and receipt of bills for all items covered by the Purchase Order. In submitting a proposal under these specifications, proposers should take into account all discounts, both trade and time allowed in accordance with the above payment policy. Therefore, all proposers should quote a net price exclusive of all Federal Excise Taxes.

The City of Biddeford reserves the right to accept the bid on one or more items of proposal, on all the items of a proposal, or on any combination of items on a proposal. The City of Biddeford also reserves the right to waive any informality in bids, to accept any bid and to reject any or all bids, should it be deemed to be in the best interest of the City to do so.

If there are any questions on the proposal package, please contact Jerry Court or Jeff Demers at the Biddeford Public Works Department (207) 282-1579.
