City of Biddeford

2026.40 IN BOARD OF CITY COUNCIL... March 17, 2026

BE IT ORDERED, that the City Council does hereby approve of the following changes to Sec. 58-1. Definitions, Sec. 58-4. Regulated Activity and Sec. 58-10. Enforcement:

HOUSEHOLD GARBAGE AND RUBBISH — Any acceptable waste originating and/or generated within the boundaries of the City, at the site of generation by a homeowner or occupant. For the purpose of this chapter, acceptable solid waste includes normal household refuse, including residential offal defined as the waste or by-product of an animal carcass after butchering including but not limited to the kidneys, heart, liver, tongue and intestines, household trash and kitchen waste and does not include commercial garbage, rubbish, or waste except that waste generated from a grandfathered facility.

Sec. 58-4. Regulated activity.

The accumulation, collection, transportation and disposal of the following materials generated within the City shall be regulated in the following manner:

- (1) All acceptable solid waste generated within the City from eligible residential customers and grandfathered facilities shall be placed in a designated solid waste container and collected by the City at curbside on a weekly basis. Acceptable solid waste includes normal household refuse, including residential offal defined as the waste or by-product of an animal carcass after butchering including but not limited to the kidneys, heart, liver, tongue and intestines, household trash and kitchen waste.
- (2) Unacceptable waste shall not be collected and must be disposed of properly by residents at the city's transfer station. Unacceptable waste includes, but is not limited to: leaf and yard waste; dirt; sod; concrete; rock; large appliances; small appliances or furniture; televisions or other electronic equipment; computers; construction, remodeling or demolition debris; textiles, hazardous materials; mercury containing products such as fluorescent lamps, ballast, thermometers, and thermostats; and liquid and flammable waste such as non-latex paint, gasoline, diesel, oil, pesticides, herbicides, and hot ashes. Unacceptable items not collected by the public works' curbside program will

be the responsibility of the resident for proper disposal. Unacceptable items must be removed from curbside within 24 hours by the resident.

- (3) The Transfer station does not accept hazardous waste, commercial or industrial waste or medical waste.

[Amended 3-3-2015 by Ord. No. 2015.10; 3-5-2019 by Ord. No. 2019.11]

- (4) Overflow shall not be collected unless contained within a designated bag made available to residents on a fee-per-bag basis. The overflow bag may be placed on or adjacent to the designated municipal waste container or in a container separate from the designated municipal solid waste container. There shall be a limit of 2 overflow bags per municipal container except during the Thanksgiving and Christmas holidays.
- (5) If overflow is placed in a separate container, the container shall not be larger than 45 gallons or weigh in excess of 35 pounds and shall not consist of more than two overflow bags.
- (6) All acceptable recyclable materials from eligible residential customers, and grandfathered facilities if applicable, shall be placed in a designated recycling container and collected by a City authorized commercial hauler at curbside on a weekly basis. **[Amended 3-3-2015 by Ord. No. 2015.10]**
- (7) All recyclable materials designated as acceptable for delivery to the Biddeford Recycling Center may be delivered to the facility by any entity.
- (8) All unacceptable waste generated within the City shall be deposited in a manner prescribed elsewhere in this chapter and or as specified by the Director of Public Works.
- (9) All commercial waste shall be regulated in accordance with the most recent version of the International Property Management Code adopted by the City of Biddeford.

Sec. 58-10. Enforcement.

- (2) Upon observation of failure to place only acceptable municipal solid waste in the designated solid waste container or the violation of the provisions of Section 58-4, the receptacle will not be collected and a warning notice shall be placed on the appropriate designated container by the Public Works Department or City-authorized commercial hauler.
